

Biome Project

Due: Tuesday, December 1 (given assignment on Monday, November 16th)

You will be creating a visual presentation on One Biome of the world. Your Biome has been assigned to you in class. (we will draw biomes out of a box).This visual presentation can be done on PowerPoint, a poster board, a booklet, a diorama, etc. Your presentation is to be done in your own creative way. You will also be presenting it orally to the class. You will be graded on the following criteria:

Your assigned biome is: _____

Grading scale:

-Content

* 20 points- two paragraph description of biome

Include:

- characteristics
- physical landscape/habitat
- weather
- any other interesting information

This must be typed. Excellent grammar should be used. 14 font is to be used.
