

Mrs. Chappell's Newsletter

September 25- October 2

Math

We are finishing up our multiplication unit. Our test is scheduled for this coming Wednesday, September 30th. I gave out a study guide today for students to complete over the weekend. It contains samples of each type of problem they will see on next week's test. The answer key is located on last week's newsletter on weebly. (week 7). We will go over the study guide on Monday and discuss, continue to review on Tuesday, and take the test on Wednesday. Our next unit will be division.

Conduct (orange sheets) will be sent home each Friday. Please review and go over with your child on Monday.

Science -

We will resume Science with Chapter 2 on October 7th. Our next test is scheduled for the 27th.

Reminders:

School pictures on the 1st (uniforms worn). You paid for these in your processing fees.

Field trip money and permission form for

Desoto caverns is due Tuesday, October 6th.

Fieldtrip is scheduled for Thursday, October 21st.

End of the first nine weeks is Friday, October 9th.

School fall break is October 12-13.

ACA Math night is October 15th.

Fall festival is November 10th.

Parent/teacher conference day is November 11th.

Social Studies

We have started working on Chapter 3. We have covered lesson 1 Thursday and Friday of last week using foldables to discuss Viking voyages, marco polo and Christopher Columbus and his voyages.

We will continue this week with lesson 2- A changing World
Lesson 3- Spanish explorations
Lesson 4- Other nations explore and end our week with a daily grade.

Each student was given a stud guide last Friday that we will fill in daily together as we cover the questions. This can be used for nightly review as we make it through the chapter. We are also making foldables to help us with our notes. These should be numbered and in their binders along with the study guide. A study guide with missing parts will be given as a daily grade at the end of the week. I will let them us their books (not their completed study guide) if needed.

Their test is scheduled for Next Tuesday.
